

Capital School Admission

The Admission process has been designed to ensure students are appropriately placed at Capital school, while maintaining the integrity and consistency of the school program and policies. A student's application will pass through different stages/Steps and is facilitated by effective communication between parents and the school's admission team.

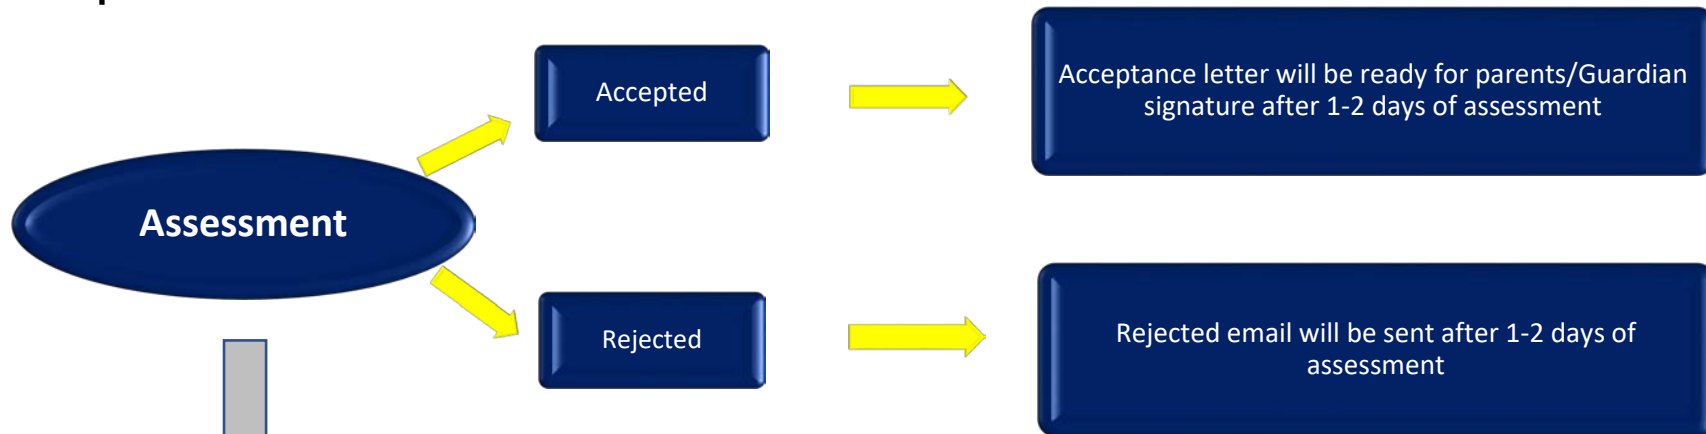

➤ Admission Process Steps:

Step 2:

Step 3:

To confirm and secure your child's place, a non-refundable admission fee must be paid (AED 3000) within 5 days of the assessment

➤ Assessment Test

- Assessment tests are held by members of our Faculty Team and give us an opportunity to see each applicant's' abilities in various fields (including English and Mathematics) and their ability to interact with our team. This is important as we want to ensure that our curriculum is suited to each individual child's needs.
- For entry into Foundation Stage and Year 1: an observation assessment, where basic letters, numbers, shapes, colors and sounds will be presented to the child. For Year 1, a handwriting test will also be required.
- For entry to Year 2 upwards: a written English and Mathematics test will be held.
- Our Faculty Team are trained in student development and are aware that each child is different and unique with varying abilities.
