Principal's Message:

From the desk of Mr. Moyster

Dear Parents and Guardians, I hope you all had an enjoyable and where possible a restful half term break. As you now know the school will take part in its' annual KHDA inspection between the 18th and the 20th March.

I have written to you earlier on February 25th, requesting your feedback on the school via the KHDA on line questionnaire. Your engagement in this our third inspection is of paramount importance to the school achieving a well-informed grading overall and hopefully an improved one.

Throughout this academic year we have endeavored to listen carefully to the "parent voice" in order to action where possible ideas and improvements, such as new and expanded governance as well as improved lines of communication between home

and school. I'm hopeful that this positive engagement will be reflected in the overall judgments made by KHDA.

Under the guidance of our new owners, we continue to adopt many new initiative and strategic growth plans for Capital School Dubai. One of these exciting developments has been the appointment of our new General Manager Eng. Hannah Hashem.

(Non-Academic) Her duties and responsibilities covering such aspects as site

management / improvement, human resources, administration, school marketing and many more. We offer Ms Hannah a warm Capital School welcome as she settles into her new post and brings a wealth of expertise to our growing school.
